PERMISSION TO USE SEQUENCE LISTING

Sir:

The above-identified patent application lacks a substitute paper copy of the Sequence Listing for inclusion into the Specification, as well as a computer readable form of the Sequence Listing. Applicants respectfully direct the attention of the Office to the following:

1. A complete copy of the Sequence Listing is to be inserted following the Abstract on page 83 and before the Drawings. Please insert the Sequence Listing beginning with page 1 and numbering consecutively thereafter. The Sequence Listing is identical to the computer readable copy of the Sequence Listing filed in U.S. Patent Application Number 09/430,669 (the "669 application"), filed October 28, 1999.

2. The computer-readable form of the Sequence Listing in this application, is identical with that filed in the '669 application, filed October 28, 1999. Pursuant to 37 CFR §1.821(e), please use the last-filed computer-readable form filed in the '669 application as the computer-readable form for the present application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer readable form that will be used for the present application.

I hereby state, as required by 37 C.F.R. § 1.821 (g), that the enclosed submission includes no new matter. Applicants submit that the foregoing satisfies the requirements of Rule §1.821. If there are any questions regarding this response, the Office is invited to contact the undersigned.

It is understood that this perfects the application and no fee is deemed necessary in connection with the filing of this paper. However, if any fee is required, the Commissioner is hereby authorized to charge the amount of this fee, or credit any overpayments, to Deposit Account No. 50-1355. A copy of this Transmittal Sheet is enclosed.

Respectfully submitted,
